DETAILED ACTION

Allowable Subject Matter

1. Claims 1-8, 11, 13-15, 18 and 19 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1-8, 11, 13-15, 18 and 19 are allowable since certain key features of the claimed invention are not taught or fairly suggested by the prior art. In claim 1, "**a first reflecting mirror member which is provided far from the occupant, and a second reflecting mirror member which is provided nearer to the occupant than the first reflecting mirror member, and a third reflecting mirror member which is provided nearer to the occupant than the second reflecting mirror member, and the vehicle information reflected by the first reflecting mirror member being visible by the occupant by being transmitted through the second and third reflecting mirror members; wherein the vehicle information includes a diagram to call attention of the occupant; and wherein said display controlling portion controls the display device such that the diagram reflected by the first reflecting mirror member is sequentially changed to the diagram, reflected by the second and third reflecting mirror members as a warning display when there is a necessity of calling the occupant's attention**". The closest prior art of record however singularly or in combination fails to anticipate or render the above underlined limitations obvious

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to RICARDO L. OSORIO whose telephone number is (571) 272-7676. The examiner can normally be reached on MONDAY-THURSDAY 7:00 am-5:30 PM.
